PROLOGUE.

Prof. Albert Gaines, scientist and health lecturer, war veteran and athlete, thru the limitation of the speaking platform responds to public demand by broadcasting the message contained in his popular book, "Key to Health" upon the screens of the universe, thereby reaching humanity's millions instead of thousands as heretofore.

(Showing Prof. Gaines mounting

TITLE

"For over a decade I have educated thousands of happier lives thru my book, "The Key

(Showing Prof. Gaines picking up his book,

TITLE

" I do not claim to be the discoverer of this method of internal purification. It was practised by the ancient Egyptians, who acquired their knowledge from a constipated bird called the "Ibis". This bird fills its beak with water and administers self treatment. " (Photo of Ibis)

PHOTO

(Showing Prof. Gaines standing on rostrum holding open his book, "The Key to Health".

TITLE

TITLE

"As I looked twenty years ago weighing 122 pounds. My weight today 180 pounds, which I owe to the "Internal Bath".

PHOTO
